

PUBLIC NOTICE

AGENCY: Federal Aviation Administration, DOT

The Federal Aviation Administration (FAA) is reviewing a Draft Environmental Assessment (EA) for proposed development at Memphis International Airport in Memphis, Tennessee. The proposed development is to upgrade and modernize the FedEx Memphis World Hub by improving traffic flow and modernizing the package sorting facilities. The work consists primarily of demolition of approximately 25 buildings and construction of multiple facilities including a replacement of the Secondary 25 building, Matrix/Secondary bridge, Bulk Truck Load building, Secondary 25/Bulk Truck Load bridge, and a GSE Maintenance building. The purpose of the EA is to address how the proposed action would potentially impact economic, social, and environmental resources. The Draft EA can be reviewed at the following locations:

FAA, Memphis Airports District Office, 2600 Thousand Oaks Boulevard, Suite 2250, Memphis, TN 38118; Hours: Monday through Friday, 8:00 AM to 3:30 PM (CT).

Memphis-Shelby County Airport Authority offices, 2491 Winchester Road, Mezzanine Level of the B Terminal, 38116; Hours: Monday through Friday, 8:00 AM to 4:00 PM (CT).

Memphis-Shelby County Airport Authority's website FlyMemphis.com.

Members of the public may issue comments on the EA within 30 days of this notice, or request a public hearing within 15 days of this notice. Comments or request for hearing should be addressed to the following FAA representative.

Kristi Ashley
Environmental Protection Specialist
