

### **Existing Furniture, Fixtures, and Equipment (FFE) Scope Clarification**

Bidding Contractors to remove and dispose of all existing Furniture, Fixtures, and Equipment (FFE) from areas of demolition in this project.

Owner to have first right of refusal for salvageable items and will provide storage location if needed. For items the Owner wishes to salvage, contractor will relocate items to the designated storage location.

An additional optional site visit is being set up for Wednesday, June 22, 2022, at 2p local time to allow contractors an additional opportunity to review existing site conditions and FFE. Registration is required. Please register to attend the site visit using the project email - [terminalapron@flymemphis.com](mailto:terminalapron@flymemphis.com). To limit group size, site visits will be limited to two representatives per bidder.
