

LEGAL NOTICE
Request for Statement of Qualifications
MSCAA Project Number 22-1460-00
Airfield Pavement Replacement Program (Pop-Outs) - Design

Statements of Qualifications for Airfield Pavement Replacement Program (Pop-Outs) - Design will be received by the Memphis-Shelby County Airport Authority (Authority), Procurement Department, 4150 Louis Carruthers Road, Memphis, TN 38118, until **2:00 PM local time on Tuesday, July 26, 2022**. The Information Package, including a description of the scope of services, the selection criteria, the required response format, and additional instructions may be obtained on the Authority's website at www.flymemphis.com on or after **June 28, 2022**.

All Respondents are responsible for checking the Authority's website up to the submission deadline for any updates, addenda or additional information. The successful Respondent must meet the DBE participation goal for this project, which is 20%, and sign a contract with the Authority that includes Federal Aviation Administration provisions, if applicable, regarding Buy American Preference, Foreign Trade Restriction, Davis-Bacon, Affirmative Action, Debarment and Suspension, and Drug-Free Workplace, all of which are incorporated herein by reference.

The Authority reserves the right to reject any or all responses to this request in whole or in part; to waive any informalities, technicalities, or omissions related to this request; and to reject responses on any other basis authorized by the Authority's purchasing policies. This project is funded under a grant contract with the Federal Aviation Administration.

The Authority is an equal opportunity employer and prohibits discrimination based on the grounds of age, race, sex, color, national origin, disability, marital status, military service, or sexual orientation in its hiring and employment practices and in the admission to, access to, or operation of its programs, services, and activities.

By order of:
Scott A. Brockman, A.A.E.
President and CEO
Memphis-Shelby County Airport Authority
