1 BACKGROUND

The Authority owns and operates Memphis International Airport (MEM), Charles Baker Airport and General DeWitt Spain Airport. Memphis International Airport is located in Shelby County about 13 miles southeast of downtown Memphis. Memphis International Airport is the principal air carrier airport serving west Tennessee, north Mississippi, southeast Missouri, and east Arkansas. Memphis International Airport is also the principal hub for FedEx, making MEM the world’s second busiest cargo airport and the single largest economic engine in the Mid-South.

MEM is primarily an origin and destination (O&D) airport. MEM served a record 4.8 million passengers in 2023, an increase of 10% compared to 2022.

The Airport is located on 4,640 acres of land in the County and includes a terminal complex of approximately one million square feet, and four other buildings containing approximately 100,000 square feet, which are used by air carriers and all-cargo carriers as transfer facilities for cargo. These buildings are adjacent to the terminal complex and are separate from FedEx facilities that contain approximately 3.5 million square feet and occupy approximately 518 acres.

6 DISADVANTAGED BUSINESS ENTERPRISE (DBE) REQUIREMENTS

6.1 Overview

The Authority operates a non-federal Business Diversity Development Program (BDDP) to ensure full and fair opportunities in Authority contracting for businesses owned by socially and economically disadvantaged individuals. While the program applies to contracts that are **not** federally funded, the Authority administers BDDP consistent with 49 CFR Part 26 as outlined below and otherwise indicated in the BDDP requirements. Only firms that are certified consistent with 49 CFR Part 26 and the Tennessee Department of Transportation Unified Certification Program, as identified below, will be certified as a Disadvantaged Business Enterprise for the purpose of BDDP requirements.

This section, entitled “Disadvantaged Business Enterprise Requirements” is provided to assist Respondents. The information contained in this section is not intended to supplement or amend any federal regulation. All Respondents are responsible for compliance with all applicable rules and requirements.

6.2 Disadvantaged Business Enterprise (DBE) Required Forms

It is a requirement that all Respondents providing services for the Authority take all reasonable steps to ensure that DBEs have a full and fair opportunity to compete for and perform contract work without discrimination based on age, race, sex, color, national origin. To satisfy this requirement, Respondents will be expected to timely submit documentation as identified below and throughout the contract period if selected and cooperate with the Authority. Failure to timely submit requested documentation, cooperate with the Authority or answer inquiries truthfully will be considered a material contract breach and may result in termination.

The following documents must be submitted with your response to this solicitation:

6.2.1 DBE Assurance Statement/Letter of Intent

The Respondent must submit an Assurance Statement for each DBE whose participation the Respondent is counting toward the goal. This may include first, second, third and so on tier subcontractors, and the Respondent and all subcontractors between the Respondent and the DBE should sign the Assurance Statement. The Respondent must submit the form provided in Section 16.1 below on Company Letterhead.

For each Assurance Statement, the Respondent must also provide the written quote or proposal from the DBE or other communication from the DBE upon which the scope of work and dollar value contained in your Assurance Statement is based (“quote/proposal”).

All portions of the Assurance Statement must be completed (including the description of work, the estimated contract amount, and the estimated dollar value of DBE participation for counting and goal purposes) before the Assurance Statement is signed by either the DBE or the Respondent. If the DBEs, and if applicable the 2nd/3rd Tier Subcontractor’s, signature(s) can be obtained on the completed Assurance Statement before the bid submission deadline, the Respondent should submit the fully completed and fully signed Assurance Statement. If the Respondent submits an Assurance Statement that is completed except for the DBEs, and if applicable, the 2nd/3rd Tier Subcontractor’s signature(s) and a quote/proposal from the DBE as described above, the Respondent will be given 24 hours from the bid submission deadline to submit the completed Assurance Statement signed by the DBE and, if applicable, the 2nd/3rd Tier Subcontractor. Each Assurance Statement submitted during this 24-hour window must conform to the previously submitted Assurance Statement except for DBE signature. These signed Assurance Statements must be submitted pursuant to the same location and time restrictions that applied to the solicitation response.

The Authority reserves the right to ask questions of the Respondent, investigate and require additional information as it determines necessary in its sole discretion to ensure that the regulations and the Authority’s rules are followed as it relates to DBE participation.

6.2.2 Respondent DBE Goals Accomplishment Statement

The form provided in Section 16.2 must be submitted on Respondent’s letterhead.

6.2.3 Information on All Firms Providing Responses

The form provided in Section 16.3 must be completed by Respondent.

6.3 Disadvantaged Business Enterprise (DBE) Voluntary Form

We ask, but do not require, that each Respondent submit the following information with the response to this solicitation:

6.3.1 Voluntary Disclosure of Respondent Data

If submitted, the form provided in Section 16.4 must be completed by respondent.

6.4 DBE Requirements for Subcontractors

The form provided in Section 16.5 must be completed.

6.5 Definition of Socially and Economically Disadvantaged

The rules that govern eligibility and certification of DBE are found generally at 49 CFR Part 26.5 and 26.61 through 26.73. These rules define a DBE as a for-profit, small business concern which is at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals. In the case of any publicly owned business, at least fifty-one percent (51%) of the stock must be owned by one or more socially and economically disadvantaged individuals. In addition, the personal net worth of the socially and economically disadvantaged owners of the small business concern must not exceed two million forty-seven thousand dollars (\$2,047,000).

As defined by 49 CFR, Part 26.5, a socially and economically disadvantaged individual is any individual who is a citizen (or lawfully admitted permanent resident) of the United States and who is:

- (1) Any individual who a recipient finds to be a socially and economically disadvantaged individual on a case-by-case basis.
- (2) Any individual in the following groups, members of which are rebuttably presumed to be socially and economically disadvantaged:
 - a. **Black Americans** which include persons having origins in any of the Black racial groups of Africa;
 - b. **Hispanic Americans** which include persons of Mexican, Puerto Rican, Cuban, Dominican, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;
 - c. **Native Americans** which include persons who are American Indians, Eskimos, Aleuts, or Native Hawaiians;
 - d. **Asian-Pacific Americans** which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U. S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth of the Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Tuvalu, Nauru, Federated States of Micronesia, or Hong Kong;

- e. **Subcontinent Asian Americans** which include persons whose origins are from India, Pakistan, Bangladesh, Bhutan, the Maldives Islands, Nepal or Sri Lanka;
- f. **Women;**
- g. Any additional groups whose members are designated as socially and economically disadvantaged by the Small Business Administration at such time as the Small Business Administration designation becomes effective.

6.6 DBE Liaison Officer

For questions or information related to the DBE program, contact ReGina Armstrong, the Senior Manager of Business Diversity Development at (901) 922-0255.

6.7 DBE Certification

The Authority is a certifying member of the Tennessee Department of Transportation Unified Certification Program (TNUCP). TNUCP is a cooperative of entities that are recipients of federal funds that have developed a “one-stop shop” for certification throughout the State of Tennessee. The Authority compiles a directory of firms who have met the TNUCP’s selection criteria for eligibility as a DBE, including 49 CFR Part 26. You can view the directory of certified firms at www.flymemphis.com or at www.tdot.tn.gov. In order to be considered as meeting the DBE goal for this Contract, each business wishing to participate as a DBE or a joint venture DBE, must be certified by a TNUCP certifying member in accordance with 49 CFR Part 26. Out of state firms may be granted reciprocity by a TNUCP certifying member with an existing certification from their home state. Unless a firm is certified by a TNUCP certifying member by the time the responses to this solicitation are due, its participation will not be considered as meeting the DBE goal in the solicitation. Each business wishing to participate as a DBE or a joint venture DBE must be certified by the time the responses are due.

6.8 Identification of Contract Goal and Requirements

For this Contract, the DBE goal is established as 13%. In order to be responsive, a Respondent must either meet the goal or make good faith efforts to do so. Good faith efforts are defined in Appendix A to 49 CFR Part 26 and discussed in the following section.

If a Respondent’s DBE Assurance Statement proposes a DBE percentage less than the established goal, the Respondent must, at the time of making the response, submit appropriate documentation showing good faith efforts to meet the established goal. The Authority reserves the right to request additional documentation or information from Respondent regarding its DBE Assurance Statement and; if applicable, any good faith efforts documentation. If the Authority enters into a contract based on the Respondent’s DBE Goals Accomplishment Statement and documentation, the DBE percentage accepted by the Authority will become a contractual requirement. If the

Respondent's DBE Assurance Statement proposes to attain a DBE percentage higher than the established goal, the established goal will remain the contractual requirement.

Respondents shall not contract with, demand, require or coerce a DBE into any agreement or into the signing of any Assurance Statement or any other document which prohibits the DBE from providing subcontracting quotations or doing business with other Respondents. The DBE shall be free to provide their services to any number of Respondents. To ensure that all obligations under sub-contracts awarded to a DBE are met, the Authority will review the agreement between the Respondent and DBE, and Respondent's DBE involvement efforts during the performance of the Contract.

6.9 Good Faith Efforts Statement and Requirements

Respondents must either meet the DBE goal or make good faith efforts to meet the goal. Respondents who do not meet the goal must establish adequate good faith efforts by submitting documentation along with the Respondent DBE Goals Accomplishment Statement. This statement should show that they took all necessary and reasonable steps to achieve the DBE goal, which could reasonably be expected to obtain sufficient DBE participation, even if they were not fully successful. The Respondent's DBE Goals Accomplishment Statement and supporting documents should conform to the good faith requirements outlined in Appendix A of 49 CFR Part 26.

The following is a list of types of actions that may be part of a Respondent's efforts to obtain DBE participation and may be included in the Respondent DBE Goals Accomplishment Statement and documentation. This list is not intended to be a mandatory checklist, nor is it intended to be exclusive or exhaustive. Other factors or types of efforts may be relevant in appropriate cases:

- a. Soliciting through all reasonable and available means (e.g. attendance at pre-bid meetings, advertising and/or written notices) the interest of all certified as a DBE who have the capability to perform the work of the Contract. The Respondent must solicit this interest within sufficient time to allow the DBE to respond to the solicitation and take appropriate steps to follow-up on initial solicitations to determine interest.
- b. Selecting portions of the work to be performed by a DBE to increase the likelihood that the goals of the DBE will be achieved.
- c. Providing any interested DBE with adequate information about the plans, specifications, and requirements of the Contract in a timely manner to assist them in responding to a solicitation.
- d. Negotiating in good faith with any interested DBE. It is the Respondent's responsibility to make a portion of the work available to DBE subcontractors and suppliers and to select those portions of the work or material needs consistent with the available DBE subcontractors and suppliers, to facilitate DBE participation.

- e. Not rejecting any DBE as being unqualified without sound reasons based on a thorough investigation of their capabilities.
- f. Making efforts to assist any interested DBE in obtaining bonding, lines of credit, or insurance as required by the recipient or contractor.
- g. Making efforts to assist any interested DBE in obtaining necessary equipment, supplies, materials, or related assistance or services.
- h. Effectively using the services of available minority/women community organizations; minority/women contractors' groups; local, state, and Federal minority/women business assistance offices; and other organizations as allowed on a case-by-case basis to aid in the recruitment and placement of any DBE.

For each DBE listed as a regular dealer or distributor the Authority will make a preliminary counting determination to assess the DBE's eligibility for 60 or 40 percent credit, respectively, of the cost of materials and supplies based on its demonstrated capacity and intent to perform as a regular dealer or distributor, as defined in § 26.55(e)(2)(iv)(A), (B), and (C) and (e)(3) under the contract at issue. The Authority's preliminary determination shall be made based on the DBE's written responses to relevant questions and its affirmation that its subsequent performance of a commercially useful function will be consistent with the preliminary counting of such participation. Where the DBE supplier does not affirm that its participation will meet the specific requirements of either a regular dealer or distributor, the Authority is required to make appropriate adjustments in counting such participation toward the bidder's good faith efforts to meet the contract goal. The bidder is responsible for verifying that the information provided by the DBE supplier is consistent with the counting of such participation toward the contract goal.

If a Respondent has not met the DBE goal and submits Respondent DBE Goals Accomplishment Statement and documentation, the Respondent should summarize in detail all good faith efforts taken by the Respondent, including, but not limited to, the activities listed above in A through I, and supporting documentation. While the Respondent should submit documentation to support its good faith efforts at the time of the Response submission, the Authority may ask questions of Respondent or request additional documentation after review of Respondent's DBE Goals Accomplishment Statement and any documentation. In submitting the information required under this section, Respondent understands and agrees that the determination of whether Respondent has met the DBE goal or established good faith efforts to meet the goal is a judgment call that the Authority will make.

6.10 Administrative Reconsideration

Within five (5) business days of being informed by the Authority that it is not responsive because it has not documented sufficient good faith efforts, a Respondent may request administrative reconsideration. Respondent should make this request in writing to the following reconsideration official: Terry Blue, President and CEO, Memphis Shelby County Airport Authority, 2491 Winchester Road, Suite 113, Memphis, Tennessee 38116, (901) 922-8000, tblue@flymemphis.com. The reconsideration official will not

have played any role in the original determination that the Respondent did not document sufficient good faith efforts.

As part of this reconsideration, the Respondent will have the opportunity to provide written documentation or argument concerning the issue of whether it met the goal or made adequate good faith efforts to do so. The bidder/offeror will have the opportunity to meet in person with our reconsideration official to discuss the issue of whether it met the goal or made adequate good faith efforts to do. The Authority will send the Respondent a written decision on reconsideration, explaining the basis for finding that the Respondent did or did not meet the goal or make adequate good faith efforts to do so. The result of the reconsideration process is not administratively appealable to the Department of Transportation.

6.11 Counting DBE Participation

DBE participation shall be counted toward meeting the DBE goal as outlined in 49 CFR Part 26, specifically 26.55. When the Respondent completes an Assurance Statement, the Respondent must include not only the total value of the work to be performed and/or the materials to be supplied by the DBE but also the total amount of DBE participation that should be counted toward meeting the goal. If you have any questions about counting, we strongly urge you to consult 49 CFR Part 26. The following may be helpful to you in counting DBE participation and in determining which sections of Part 26.55 you need to review in more detail:

- a. When a DBE participates in a contract, you count only the value of the work actually performed by the DBE toward DBE goals.
 - 1) Count the entire amount of that portion of a construction contract (or other contract not covered by paragraph (a)(2) of this section) that is performed by the DBE's own forces. Include the cost of supplies and materials obtained by the DBE for the work of the contract, including supplies purchased or equipment leased by the DBE (except supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate).
 - 2) Count the entire amount of fees or commissions charged by a DBE firm for providing a bona fide service, such as professional, technical, consultant, or managerial services, or for providing bonds or insurance specifically required for the performance of a DOT-assisted contract, toward DBE goals, provided you determine the fee to be reasonable and not excessive as compared with fees customarily allowed for similar services.
 - 3) When a DBE subcontracts part of the work of its contract to another firm, the value of the subcontracted work may be counted toward DBE goals only if the DBE's subcontractor is itself a DBE. Work that a DBE subcontracts to a non-DBE firm does not count toward DBE goals.

- 4) Count the entire amount of that portion of a construction contract (or other contract not covered by paragraph (a)(2) of this section) that is performed by the DBE's own forces. Include the cost of supplies and materials obtained by the DBE for the work of the contract, including supplies purchased or equipment leased by the DBE (except supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate).
 - 5) Count the entire amount of fees or commissions charged by a DBE firm for providing a bona fide service, such as professional, technical, consultant, or managerial services, or for providing bonds or insurance specifically required for the performance of a DOT-assisted contract, toward DBE goals, provided you determine the fee to be reasonable and not excessive as compared with fees customarily allowed for similar services.
 - 6) When a DBE subcontracts part of the work of its contract to another firm, the value of the subcontracted work may be counted toward DBE goals only if the DBE's subcontractor is itself a DBE. Work that a DBE subcontracts to a non-DBE firm does not count toward DBE goals.
- b. When a DBE performs as a participant in a joint venture, count a portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the DBE performs with its own forces toward DBE goals.
 - c. Count expenditures to a DBE contractor toward DBE goals only if the DBE is performing a commercially useful function on that contract. For the definition and explanation of a commercially useful function see 49 CFR Part 26.55(c).
 - d. To determine whether a DBE trucking company is performing a commercially useful function see 49 CFR Part 26.55(d).
 - e. Count expenditures with DBEs for materials or supplies toward DBE goals as provided in 49 CFR Part 26.55(e). Please note that materials or supplies obtained from a DBE manufacturer are counted differently toward DBE goals than a DBE regular dealer. It is imperative that the bidder consult federal regulations for counting differences.
 - f. If a firm is not currently certified as a DBE in accordance with the standards of 49 CFR Part 26 Subpart D at the time of the execution of the contract, do not count the firm's participation toward any DBE goals, except as provided for in § 26.87(i).
 - g. Do not count the dollar value of work performed under a contract with a firm after it has ceased to be certified toward your overall goal.
 - h. Do not count the participation of a DBE subcontractor toward a contractor's final compliance with its DBE obligations on a contract until the amount being counted has actually been paid to the DBE.

6.12 Sanctions for Non-Compliance

In case of the Respondent's non-compliance with DBE requirements as applicable, including, but not limited to, documentation, cooperation, and truthfulness, the Authority shall impose such Contract sanctions as it may determine to be appropriate. This may include but is not limited to:

- a. Withholding of payments to the Respondent under the Contract until the Respondent complies; and/or
- b. Cancellation, termination, or suspension of the Contract, in whole or in part; and/or
- c. Assessing sanctions; and/or
- d. Payment by the Respondent to the Authority of an amount equal to the difference in the DBE dollar value contracted for and the dollar value achieved in documented DBE participation, which dollar value shall be considered liquidated damages if the Authority determines that Respondent failed to make good faith efforts in meeting the Contract's DBE goal.

6.13 Contract Assurance (49 CFR Part 26.13)

The successful Respondent, any successful subrecipient or successful subcontractor shall not discriminate based on race, color, national origin, or sex in the performance of this prime contract. The successful Respondent shall carry out applicable requirements of 49 CFR part 26 in the award and administration of DOT-assisted contracts. Failure by the successful Respondent to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to:

- a. Withholding monthly progress payments;
- b. Assessing sanctions;
- c. Liquidated damages; and/or
- d. Disqualifying the Contractor from future bidding as non-responsible.

6.14 Prompt Payment / Retainage

The successful Respondent agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than fifteen (15) days from the receipt of each payment the successful Respondent receives from MSCAA. A subcontractor's work is satisfactorily completed when all the tasks called for in the subcontract have been accomplished and documented as required by the MSCAA. When MSCAA has made an incremental acceptance of a portion of a prime contract, the work of a subcontractor covered by that acceptance is deemed to be satisfactorily completed. Any delay or postponement of payment from the above referenced timeframe may occur only for good cause following written approval of the MSCAA. This clause applies to both DBE and non-DBE subcontractors.

Retainage will not be withheld on this project. No retainage will be withheld by MSCAA from progress payments due to the successful Respondent. Retainage by the successful Respondent or subcontractors is prohibited, and no retainage will be held by the successful Respondent from progress payments due to subcontractors.

6.15 Termination of DBE Subcontracts

The successful Respondent must not terminate a DBE subcontractor listed in response to this solicitation (or an approved substitute DBE firm) without prior written consent of Authority. This includes, but is not limited to, instances in which the successful Respondent seeks to perform work originally designated for a DBE subcontractor with its own forces or those of an affiliate, a non-DBE firm, or with another DBE firm.

The successful Respondent shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless the contractor obtains prior written consent as provided in 49 CFR §26.53(f). Unless prior written consent is provided pursuant to 49 CFR §26.53(f), the successful Respondent shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE.

The Authority may provide such written consent only if the Authority agrees, for reasons stated in the concurrence document, that the successful Respondent has good cause to terminate the DBE firm. For purposes of this paragraph, good cause includes the circumstances listed in 49 CFR §26.53.

Before transmitting to the Authority its request to terminate and/or substitute a DBE subcontractor, the prime contractor must give notice in writing to the DBE subcontractor, with a copy to the Authority, of its intent to request to terminate and/or substitute, and the reason for the request.

The successful Respondent must give the DBE five days to respond to the successful Respondent's notice. In response, the DBE must advise the Authority and the successful Respondent of the reasons, if any, why it objects to the proposed termination of its subcontract and why the Owner should not approve the prime contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), Owner may provide a response period shorter than five days.

In addition to post-award terminations, the provisions of this section apply to reward deletions of or substitutions for DBE firms put forward by offerors in negotiated procurements.

6.16 BDDP Requirements

The Respondent shall carry out the BDDP requirements, including applicable requirements of 49 CFR Part 26, in the award and administration of Authority contracts. Respondent agrees to provide all its subcontractors and suppliers and to require all its subcontractors and suppliers on this project to provide a complete copy of the Disadvantaged Business Enterprise (DBE) Requirements of the Contract to all those who provide supplies or work related to the Contract and to require all those providing

supplies or work to be bound by these requirements as it relates to their work related to the Contract.

7 TITLE VI SOLICITATION NOTICE

The Authority, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 USC §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunities to submit bids in response to this invitation and no businesses will be discriminated against on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in consideration for an award.

8 INSURANCE REQUIREMENTS

The successful Respondent shall submit evidence of required insurance on an original ACORD certificate or comparable insurance certificate form(s) acceptable to the Authority, with required endorsements attached, the earlier of fifteen (15) working days following award notification or prior to the scheduled commencement of work. Failure to submit the required document(s) may result in rescinding the award. The Contract may thereafter be awarded to the next qualified Respondent. A certificate of insurance is not required at the time of the response; however, an approved insurance certificate and amendatory endorsements are required to be on file prior to the start of the work. In addition, a copy of the policy or policies shall be provided by the successful Respondent upon request.

The insurance requirements are established in Section 17 of the Sample Contract, which is set forth in Section 17 below.

9 FEDERAL FAIR LABOR STANDARDS ACT

All contracts and subcontracts that result from this solicitation incorporate by reference the provisions of 29 CFR part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers.

The contractor has full responsibility to monitor compliance to the referenced statute or regulation. The contractor must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

10 SECURITY AND ACCESS

10.1 General Requirements

The successful Respondent shall comply with all Airport Security requirements concerning access to restricted areas of the buildings or airfield. Access to certain areas

of the buildings may be restricted to off-peak working or operational hours or other reasons, and the Respondent will conduct their work accordingly. If the Authority determines that any employee(s) of the successful Respondent should not work on the Authority' property or on the Contract, the successful Respondent will immediately comply with the Authority's request to remove employee(s).

The successful Respondent and all employees performing duties under the Contract shall conform to all applicable aviation security procedures regarding the issue, wearing, replacement, and return of personal identification badges, as defined in the Airport Security Program (available through the Airport Identification Office) approved by the Transportation Security Administration (TSA) and amended from time to time.

All employees working under the Contract will be required to display on their person, at all times while on duty, an identification badge issued by the Authority. Identification badges will be worn on the outermost garment above the waist.

The successful Respondent will provide the Authority with a badge application signed by the Authorized Signatory of the successful Respondent.

Prior to the issuance of the airport identification badge, an airport badge application must be prepared and submitted to the Airport Identification Office. The application form for airport identification will be provided by the Authority and properly completed by the successful Respondent.

All employees must be able to meet the requirements of the TSA in order to receive an airport identification badge. Individuals will be issued a badge by the Airport Identification Office only after they have met all necessary security and training requirements including the appropriate certifications of the fingerprint-based background check and the Security Threat Assessment. Authority shall be responsible for all fees associated with the successful Respondent's badge applications; Respondents should not include any costs for badge application fees in their proposals.

In order to ensure control and accountability of airport identification badges, the successful Respondent will notify the Authority of the termination of any employee immediately and submit written notification of badge status of terminated employees within twenty-four (24) hours to the Security Access Supervisor, Airport Identification Office. The Airport Identification Office shall be immediately notified if the badge is not recovered for any reason. Failure to recover the identification badge and return it to the Airport Identification Office will result in a one hundred dollar (\$100.00) fee assessed to the successful Respondent. The successful Respondent will also receive a Monthly Status Report and will verify accuracy of that report on a monthly basis.

ID badges reported lost or stolen must be thoroughly investigated and closely scrutinized. Replacement ID badges may be issued only upon written request from the Respondent. Such request must be on Company letterhead, stating the circumstances surrounding the loss, and be signed by an authorized Company representative on file

with the Airport Identification Office. Replacement fees will be assessed to the successful Respondent; replacement fees for lost or stolen badges will be:

- First replacement \$100.00
- Second replacement \$150.00
- Third replacement* \$200.00

*Requires approval of the Director of Operations and Public Safety

10.2 Security Checkpoint Procedures

Security Checkpoints are located throughout the MEM terminal building. These checkpoints prevent access to certain “restricted” areas. Personnel must have the proper photo identification badge, as described in Section 10 Security and Access, in order to access areas beyond these checkpoints.

10.3 Operations of Others

During the time that successful Respondent is performing under the Contract, other persons may be engaged in other operations on or about the work site, including facility operations, pedestrian, bus, and vehicular traffic and other contractors performing at the work site, all of which shall remain uninterrupted.

The successful Respondent shall so plan and conduct its operations to work in harmony with others engaged at the site and not to delay, endanger, or interfere with the operations of others, whether or not specifically mentioned above, and in the best interests of the Authority. All operations should be conducted in a manner that ensures the safety and well-being of others.

11 TERMS OF PERFORMANCE

The Authority will contract with a single Respondent to provide services under the direction of the Authority’s Airside Operations Department, as outlined in the Scope of Services in this RFQ.

11.1 Contract Negotiations and Contract Form

One Respondent will be selected for contract negotiations in accordance with Section 14.4. Realizing that the final basis for agreement between the successful Respondent and the Authority must be a contract, Respondents shall indicate their willingness to negotiate a Contract acceptable to both Parties. This RFQ and specified portions of the successful Respondent’s response shall be incorporated into such Contract. The successful Respondent shall be required to execute a written contract with the Authority. The Authority will not execute the successful Respondent’s standard contract.

11.2 Cancellation

Should the successful Respondent fail to meet the requirements of the Contract after it is executed, the Authority may cancel the Contract at once and award the remainder of

the contract term to the next qualified Respondent. If the Contract is cancelled, all materials provided to Contractor shall be returned to the Authority.

11.3 Term of Contract

The initial term of this Contract shall be for a period of one (1) year commencing on the start date of the Contract (Contract Term). The Authority, in its sole discretion, reserves the option to extend the Contract Term for four (4) additional periods of one (1) year each (Renewal Terms) by giving written notice to the Company at least ninety (90) days before the expiration of the Contract Term or any Renewal Term. At the sole option of the Authority, the Contract may be extended beyond the four (4) Renewal Terms. The Contract shall be amended to reflect any negotiated and agreed upon Compensation for any such extension of this Contract.

11.4 Convenience Termination of Contract

The Authority may, at any time upon thirty (30) days written notice to successful Respondent specifying the effective date of termination, terminate the Contract, in whole or in part, when the Authority deems it to be in the Authority's best interests.

11.5 Payment and Billing Requirements

11.5.1 Invoice Submittal

Invoices for payments related to the services rendered under the Contract shall be presented at the completion of each task as described below. Payment will be made only for correct invoices presented with a complete itemization of the services rendered. Incorrect invoices will be returned for correction, unpaid. All invoices must include the contract number and/or the purchase order number. The successful Respondent must email the invoice to the email address below:

11.5.2 Payment Terms

The Authority shall use its best efforts to pay invoices within thirty (30) days from the receipt of a correct invoice.

The Authority is exempt from Local, State, and Federal taxes. Tax certificates will be issued to the successful Respondent.

DISADVANTAGED BUSINESS ENTERPRISE (DBE) REQUIREMENTS FOR SUBCONTRACTS

Memphis-Shelby County Airport Authority (MSCAA) operates a federal Disadvantaged Business Enterprise (DBE) Program to ensure full and fair opportunities in MSCAA contracting for businesses owned by socially and economically disadvantaged individuals, which is governed by 49 CFR Part 26. This document sets forth DBE provisions that must be included in all contracts and subcontracts for the subject project as required by federal regulations. ***A SIGNED COPY MUST BE (1) SUBMITTED TO THE MSCAA DBE LIAISON OFFICER AND (2) INCLUDED IN YOUR SUBCONTRACT AS AN EXHIBIT TO ANY UNDERLYING AGREEMENT FOR THE SUBJECT PROJECT.***

The undersigned parties agree and acknowledge that this document shall be deemed to form, be read and construed as, as if stated verbatim therein, part of any agreement between the parties related to the subject project. This document is an agreement wherein the parties accept, agree to, and incorporate federally mandated contractual provisions into any underlying agreement for the subject project as well as acknowledge applicable federal and local DBE rules and regulations. THE TEXT CONTAINED IN THIS DOCUMENT CANNOT BE REVISED, ALTERED, OR OTHERWISE MODIFIED BY THE PARTIES. THIS IS A FINAL DOCUMENT.

Any subcontract for the subject project shall be governed by regulations set forth in 49 CFR Part 26 and MSCAA DBE program rules and regulations, including but not limited to the following:

1. **Assurance** (49 CFR 26.13(b)): The contractor, sub-recipient, or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to: 1) Withholding monthly progress payments; 2) Assessing sanctions; 3) Liquidated damages; and/or 4) Disqualifying the contractor from future bidding as non-responsible.
2. **Prompt Payment** (49 CFR 26.29): The prime contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work no later than 15 days after the prime contractor's receipt of payment for that work from MSCAA. A subcontractor's work is satisfactorily completed when all the tasks called for in the subcontract have been accomplished and documented as required by MSCAA. When MSCAA has made an incremental acceptance of a portion of a prime contract, the work of a subcontractor covered by that acceptance is deemed to be satisfactorily completed. Any delay or postponement of payment from the above referenced timeframe may occur only for good cause and written approval of the MSCAA. Retainage will not be withheld on this project. No retainage will be withheld by the MSCAA from progress payments due the prime contractor. Retainage by the prime or subcontractors is prohibited. No retainage will be held by the prime from progress due subcontractors.

CONTRACT

FOR

BY AND BETWEEN

THE MEMPHIS-SHELBY COUNTY AIRPORT AUTHORITY

AND

THIS CONTRACT made and entered into this [day] day of [month], [year], (the “Contract” or “Agreement”), by and between _____. (“Company” or “Contractor”) and **Memphis-Shelby County Airport Authority**, a body politic and corporate organized and existing under and by virtue of the laws of the State of Tennessee, (“Authority” or “Sponsor” or “Owner”). The Authority and the Company may be referred to herein individually as a “Party” and collectively as the “Parties”.

WITNESSETH THAT:

For and in consideration of the mutual promises, covenants, and stipulations of each Party to the other, the Company agrees to provide the Authority with services on the terms and conditions set forth herein as follows:

1 PERFORMANCE

Company shall provide _____ to the Authority in accordance with the Scope of Services (“Scope of Services”), which is attached hereto as Exhibit A and incorporated herein by reference. The Authority and the Company agree that from time to time it may be necessary to add to, delete from, or amend the Scope of Services in order to better meet the needs of the Authority, as determined by the Authority in its sole discretion. In such event, the Parties shall, in writing, amend this Contract if the Parties reach an agreement on modifications of the Scope of Services and Compensation, which is defined in the “Compensation” section below.

2 COMPENSATION

For satisfactory performance, the Authority agrees to pay the Company in accordance with the Schedule of Compensation (“Compensation”) which is attached hereto as Exhibit B and incorporated herein by reference. The Authority agrees to remit payment to Company within thirty (30) days of receipt of a properly submitted and approved invoice with a complete itemization of the charges, including any and all supporting documentation. However, if Company has an outstanding debt with the Authority for any fees or expenses related to this Contract, and the debt is over thirty (30) days past due, the Authority reserves the right to deduct the amount owed from the Company’s submitted invoice. The Contract number must be included on the invoice in order for the invoice to be considered properly submitted.

3 TERM AND RENEWAL

The initial term of this Contract shall be for a period of one (1) year commencing on the start date of the Contract (Contract Term). The Authority, in its sole discretion, reserves the option to extend the Contract Term for four (4) additional periods of one (1) year each (Renewal Terms) by giving written notice to the Company at least ninety (90) days before the expiration of the Contract Term or any Renewal Term. At the sole option of the Authority, the Contract may be extended beyond the four (4) Renewal Terms. The Contract shall be amended to reflect any negotiated and agreed upon Compensation for any such extension of this Contract.

Any violation or breach of the terms of this Contract on the part of the Company or their subcontractors may result in the termination of this Contract or such other action that may be necessary to enforce the rights of the Parties to this Contract. The duties and obligations imposed by the Contract Documents, as defined in the "Contract Documents" section below, and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

4 TERMINATION OF CONTRACT

The Authority may, at any time upon thirty (30) days written notice, terminate this Contract in whole or in part at any time, either for the Authority's convenience or because of failure by Company to fulfill the Contract obligations. Upon receipt of such notice, services shall be discontinued on the effective date of termination (unless the notice directs otherwise) and all materials as may have been accumulated in performing this Contract, whether completed or in progress, delivered to the Authority.

If the Authority terminates this Contract, the Authority shall be liable under the payment provisions of this Contract only for payment for services rendered and expenses incurred before the effective date of termination.

Company may terminate this Contract upon thirty (30) days written notice to Authority if Authority is in material breach of this Contract and fails to cure the breach before the end of the thirty (30) day notice period.

If, after notice of termination for failure to fulfill contract obligations, it is determined that the Company had not so failed, the termination shall be deemed to have been affected for the convenience of the Authority.

The rights and remedies of the Authority provided in this clause are in addition to any other rights and remedies provided by law or under this Contract.

5 UPON TERMINATION

If this Contract is terminated prior to Company's completion of the services to be performed hereunder, then all finished or unfinished documents or other materials prepared or obtained by Company pursuant to this Contract shall become the Authority's property to the extent allowable by law and accounting standards. If this Contract is terminated prior to Company's completion of the services to be performed hereunder, Company shall return to Authority any sums paid in advance by Authority for services that would otherwise have had to be rendered between the effective date of termination and the original ending date of the Contract. Company shall prepare an accounting of the services performed and money spent by Company up

to the effective date of termination and shall return to Authority any remaining sums within thirty (30) days of such date.

6 DEFAULTS AND REMEDIES

6.1 DEFAULTS

Company shall be in default of this Contract upon the occurrence of any of the following events:

- a. If Company fails to comply with any of the provisions required of Company under this Contract, and such failure continues for a period of twenty-four (24) hours after written notice thereof is given to Company by the Authority; or
- b. If, by operation of law or otherwise, the right, title, or interest of Company in this Contract is transferred to, passes to, or devolves upon any other person, firm, or corporation without prior written consent of the Authority; or
- c. Upon the levy of any attachment or execution of any process of a court of competent jurisdiction which does or will interfere with Company's performance under this Contract, and which attachment, execution, or other process of such court is not enjoined, vacated, dismissed, or set aside within a period of thirty (30) days; or
- d. Upon the suspension, revocation, or termination of any power, license, permit, or authority that has the effect of preventing Company from performing under this Contract.

6.2 REMEDIES

Upon the occurrence of any one or more of the events as set forth above, or upon any other default or breach of this Contract by Company, the Authority may, at the Authority's sole option, exercise concurrently or successively, any one or more of the following rights and remedies without waiving such default or breach:

- a. Interplead funds to a court or pay any sum required to be paid by Company to parties other than the Authority, and which Company has incurred in connection with this Contract and failed to pay. Any amount so paid in good faith by the Authority, together with interest thereon at the maximum rate provided by law from the date of such payment, and all expenses connected therewith shall be repaid by Company to the Authority on demand; or
- b. Enjoin any breach or threatened breach by Company of any covenants, sections, terms, provisions, or conditions hereof; or
- c. Bring suit for the performance of any covenant devolving upon Company for performance or damage thereof, all without terminating this Contract; or
- d. Terminate this Contract upon ten (10) days written notice to Company, specifying date of termination and upon payment of all fees and expenses incurred prior to termination.

7 RIGHTS AND REMEDIES CUMULATIVE AND NOT EXCLUSIVE

All rights and remedies granted to Authority herein and any other rights and remedies which Authority may have at law and in equity are hereby declared to be cumulative and not exclusive, and the fact that Authority may have exercised any remedy without terminating this Contract shall not impair Authority's rights thereafter to terminate or to exercise any other remedy herein granted or to which Authority may be otherwise entitled.

8 RECOVERY OF FEES AND EXPENSES

In the event of any claim or other matter in question between the Authority and Company arising out of, or relating to, this Contract or the breach thereof and in addition to any other remedies or recoveries provided herein, the Company shall be liable for and shall promptly reimburse the Authority for any cost or expense incurred by the Authority, including fees and expenses of its attorneys, consultants, and experts, as a result of (i) Company's failure to perform in accordance with the terms of this Contract; (ii) breach of the warranties and guaranties set forth in this Contract; or (iii) any successful action taken by the Authority to enforce the terms of this Contract.

9 WAIVER

Waiver by the Authority of any term, covenant, or condition hereof shall not operate as a waiver of any subsequent breach of the same or of any other term, covenant, or condition. No term, covenant, or condition of this Contract can be waived except by written consent of Authority, and forbearance or indulgence by Authority in any regard whatsoever shall not constitute a waiver of same to be performed by Company to which the same may apply and, until complete performance by Company of the term, covenant, or condition, Authority shall be entitled to invoke any remedy available to it under this Contract or by law despite any such forbearance or indulgence.

10 FORCE MAJEURE

Neither Party shall be liable for any failure or delay in performance under this Contract (other than for delay in the payment of money due and payable hereunder) to the extent said failures or delays are proximately caused (i) by causes beyond that Party's reasonable control and (ii) occurring without its fault or negligence, including, without limitation, failure of suppliers, subcontractors, and carriers, or Party to substantially meet its performance obligations under this Contract, provided that, as a condition to the claim of non-liability, the Party experiencing the difficulty shall give the other prompt written notice, with full details following the occurrence of the cause relied upon. Dates by which performance obligations are scheduled to be met will be extended for a period of time equal to the time lost due to any delay so caused; however, such delays shall not be grounds for an adjustment in Compensation.

11 ASSIGNMENT

The Company shall not assign the Contract or any part hereof or any monies due or to become due hereunder without the prior written approval of the Authority.

12 SUCCESSORS AND ASSIGNS

The Authority and the Company each binds itself and its partners, successors, executors, administrators and assigns, to the other Party of this Contract and to the partners, successors, executors, administrators, and

assigns of such other Party with respect to all covenants, terms, provisions, and conditions of this Contract. Neither the Authority nor the Company shall assign, sublet, or transfer its interest in this Contract without the prior written consent of the other; provided, however, that claims for money due, or to become due the Company from the Authority under this Contract may be assigned to a bank, trust company, or other financial institution, or to a Trustee in Bankruptcy, without such approval. Notice of such assignment or transfer shall be furnished promptly in writing to the Authority. Except as provided for above, if Company should subcontract, assign, or transfer any part of Company's interests or obligations under this Contract without the prior written approval of Authority, it shall constitute a material breach of this Contract.

13 INDEPENDENT COMPANY

Company is an independent contractor with respect to all services performed under this Contract. Company accepts full and exclusive liability for the payment of any and all premiums, contributions, or taxes for workers' compensation, Social Security, unemployment benefits, or other employee benefits now or hereinafter imposed under any state or federal law which are measured by the wages, salaries, or other remuneration paid to persons employed by Company on work performed under the terms of this Contract. Company shall defend, indemnify, save, and hold harmless the Authority from any claims or liability for such contributions, benefits or taxes. Nothing contained in this Contract, nor any act of the Authority or Company, shall be deemed or construed to create any third-party beneficiary or principal and agent association or relationship with the Authority. The Company is not the Authority's agent and the Company has no authority, express, apparent or otherwise, to take any action or execute any documents on behalf of the Authority.

14 NO FINANCIAL INTEREST

Company understands and agrees that no Authority employee or member of the Board of Commissioners of the Authority, Memphis City Council, or Shelby County Board of Commissioners shall receive any financial benefit arising out of this Contract, either directly or indirectly.

15 INDEMNIFICATION

- a. Company shall defend, indemnify, and hold harmless the Authority and its commissioners, officers, agents and employees, from and against all claims, damages, demands, liability, losses, acts of God, costs, fines, and expenses of any nature whatsoever, including reasonable attorneys' fees, arising out of or resulting from any negligent acts or omissions in connection with Company's performance of this Contract, to the extent caused in whole or in part by Company or its employees, officers, agents, or subcontractors, or caused by others for whom Company is liable except to the extent of intentional misconduct of the Authority. The indemnity set forth in this section shall survive the expiration or earlier termination of this Contract.
- b. When the Company is obligated to provide the Authority a defense hereunder, it shall do so with qualified counsel that is selected by the Company and approved by the Authority. Such approval shall not be unreasonably withheld. In light of the Authority and the Company's continuing relationship, however, the potential for conflicts of interests exists if the same counsel represents both the Authority and the Company when the Company accepts the Authority's tender of defense under the indemnity provision of this Agreement. Therefore, the Authority retains the right to select its own counsel from a list of qualified attorneys provided by the Company or the Company's insurer. The selected counsel's fees and expenses shall be paid for by the Company or its insurer, and the counsel shall be different from that selected by the Company to represent it in the same matter.

16 LAWS, PERMITS AND LICENSES

Company shall abide by and observe all laws, ordinances, and regulations relating to the work to be done pursuant to this Contract. Company shall secure all permits and pay all license fees required by law before beginning the services.

17 INSURANCE REQUIREMENTS

See Exhibit C for Insurance Requirements.

18 DAMAGE TO AUTHORITY PROPERTY

Company agrees to promptly notify Authority of any damage caused to Airport property by Company. Company shall reimburse the Authority for costs associated with any damage to Authority property caused by Company, including damages arising from Company's activities on or use of Airport property or any of Company's representatives, managers, employees, agents, contractors, subcontractors, licensees or invitees for its use, conduct or activities. This provision shall survive the termination of this Contract.

19 AUDIT

The Authority shall have the right to audit this Contract along with any and all books, documents, and records relating thereto, as deemed necessary by the Authority, in its sole discretion. The books, documents, and records of Company in connection with this Contract shall be made available to the Authority in the Authority's offices or other locations in Memphis, Tennessee, acceptable to the Authority, within ten (10) days after a written request is made. The Authority may audit the Company's records at any time within three (3) years of each year ended June 30. The provisions of this section shall survive the expiration or earlier termination of the Contract by a period of no less than three (3) years.

20 GOVERNING LAW

This Contract shall be interpreted, construed and performance shall be governed by and in accordance with the laws of the State of Tennessee. Authority and Company irrevocably agree that should any litigation arise out of this Contract, it shall be brought in the state or federal courts in Shelby County, Tennessee.

21 SURVIVAL OF OBLIGATIONS

All obligations of the Parties that either expressly or by their nature survive the expiration or termination of this Contract shall continue in full force and effect subsequent to, and regardless of, this Contract's expiration or termination and until they are fully satisfied or by their nature expire.

22 UNCONDITIONAL OBLIGATION TO PROCEED

Notwithstanding anything herein to the contrary, when the Authority has requested work for which time is of the essence, the Company will proceed with the work even if it has a dispute with the Authority concerning the amount to be paid.

24 SEVERABILITY

In the event any provisions of this Contract shall be held to be invalid and unenforceable, the remaining provisions shall be valid and binding upon the Parties. One or more waivers by either Party of any provision, term, condition or covenant shall not be construed by the other Party as a waiver of a subsequent breach of the same by the other Party.

25 BONDS

The Company is required to furnish an original, certified copy of, or certified electronic copy of a Performance Bond and a Labor and Material Payment Bond at the time of Contract execution and prior to the start date of the Contract, in an amount equal to contract price, to guarantee the Company’s performance of the Contract. The bonds shall be made payable to the Memphis-Shelby County Airport Authority and shall remain in force for the duration of the Contract.

The bonds submitted by Company must include an original, certified copy, or certified electronic copy of the Power of Attorney authorizing the Attorney-in-Fact to execute the bonds on behalf of the Surety. The bonds provided to the Authority in connection with this Contract shall be executed by the Company and Surety, and duly issued by an insurer or corporate surety which:

- a. To real or personal property, including but not limited to vehicles, equipment, and tools owned, leased or used by the Company or the Company's employees, agents or subcontractors; and
- b. To the extent such loss, damage, claims, suits or demands are covered, or would have been covered, by the required or any other insurance, except professional liability to which this requirement does not apply, maintained by the Company.

This waiver shall apply to all first party property, equipment, vehicle and workers compensation claims, unless prohibited under applicable state statutes, and all third-party liability claims. This waiver shall also apply to all deductibles, retentions or self-insured layers applicable to the required or any other insurance, except

professional liability to which this requirement does not apply, maintained by the Company. If necessary, the Company agrees to secure endorsements to the required insurance policies to permit waivers of subrogation in favor of the Authority as required hereunder. The Company further agrees to hold harmless and indemnify the Authority for any loss or expense incurred as a result of the Company's failure to obtain such waivers of subrogation from the Company's insurers.

C.3.5 NOTICE OF CANCELLATION

Failure of the Authority to request such certificates or other evidence of Company's compliance with insurance requirements, or failure of the Authority to identify deficiencies from evidence that is provided, shall in no way limit or relieve Company of its obligations to maintain such insurance.

C.3.8 SUBCONTRACTORS

The Company shall require their contractors and subcontractors to maintain same insurance coverage and minimum limits as is herein required of the Company, as well as provide proof of subcontractors' insurance coverage to the Authority.

C.3.10 NO REPRESENTATION OF COVERAGE ADEQUACY

In specifying minimum Company insurance requirements, the Authority does not represent that such insurance is adequate to protect Company for loss, damage or liability arising from its work. Company agrees that it is Company's responsibility to identify its own risks and protect itself accordingly and understands that the Authority accepts no liability for any such uninsured risks howsoever arising.

The insurance requirements set forth in minimum amounts shall not be construed to relieve Company for liability in excess of such coverage, nor shall it preclude the Authority from taking such other actions as is available to it under any other provision of the Contract. Any acceptance of certificates of insurance by the Authority shall in no way limit or relieve Company of its duties and responsibilities under the Contract, including the duty to indemnify and hold harmless the Authority.

EXHIBIT D

**REQUIRED CONTRACT PROVISIONS FOR AIRPORT IMPROVEMENT
PROGRAM AND FOR OBLIGATED SPONSORS**

Federal Laws and regulations require that recipients of federal assistance include contract provisions in certain contracts without modification. The provisions in this section apply to this Agreement. The Company shall incorporate the applicable provisions, as indicated in this section, in all of the subcontracts that it enters into for work to be performed related to this Agreement.

Certain provisions must be included in all sponsor contracts, regardless of *whether or not* the contracts are federally-funded. This requirement was established when a sponsor accepted the Airport Improvement Program (AIP) grant assurances.

1 GENERAL CIVIL RIGHTS PROVISIONS

The Contractor agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision binds the Contractor and subtier contractors from the bid solicitation period through the completion of the Contract. This provision is in addition to that required of Title VI of the Civil Rights Act of 1964. If the Contractor transfers its obligation to another, the transferee is obligated in the same manner as the Contractor. The above provision obligates the Contractor for the period during which the property is owned, used or possessed by the Contractor and the airport remains obligated to the Federal Aviation Administration.
