

QUESTIONS AND ANSWERS REGARDING
MSCAA PROJECT 25-1484-00
AERIAL SURVEYS, IMAGERY, AND MAPPING SERVICES
01/12/2026

1.	Question: Does a firm need to be presently registered as a surveying firm in TN in order to submit?
	Response: No. A submitting firm does not have to be a registered surveying firm. However, it is expected that one or more projects will require establishing control points. Such work would have to be completed by a state-licensed surveyor.
